

INTERNATIONAL STUDENT FINANCIAL CERTIFICATE

In compliance with United States Department of Homeland Security (DHS) requirements, ALL international students MUST provide evidence of enough funds/money available for their studies in the U.S. The estimated cost of studying for a year at KSU is as follows (note that prices include tuition, housing, food, health insurance and personal expenses for one academic year).

Undergraduate On-Campus	= \$25,316
Undergraduate Off-Campus	= \$25,351
Graduate	= \$21,231

Summer rates may vary. Amounts for scholarship students may vary. Exceptions may apply for exchange students and inviting KSU office should follow "Instructions for Inviting International Students on Exchanges, Special Scholarships and/or Assistance". Contact OGE for more details.

All future KSU students *must* complete and sign a International Student Financial Certificate form and submit it with an original bank statement/letter showing a minimum amount in accordance with the expected cost of their stay at KSU. Note that students need to request two originals from their bank – one to send to KSU and one to show the local U.S. Consulate.

Students being sponsored by government, agency, or organization, whether it be partially or entirely, must submit an original statement on letterhead explaining that financial sponsorship commitment.

Students receiving aid from KSU, be it a scholarship or assistantship, will receive an official letter stating the amount and details of that aid. This letter should be taken to the U.S. Embassy or Consulate and shown to the consular officer as part of the F-1 interview process.

This International Student Financial Certificate *does not affect* KSU's decision regarding acceptance or denial of admission to the university.

Once KSU receives these documents they will be reviewed and processed. When the required Financial Certification is complete, and when OGE has received notification from KSU's Admissions Office that the student has been officially admitted, an admissions packet will be sent to the student. That packet will include the I-20, the admissions letter, aid information, and other information about studying at KSU. This information will be required by the U.S. Customs and Immigration officer at the U.S. port-of-entry.

Note: I-20s will NOT BE ISSUED until all necessary documents are received. Financial documents dated over 6 months old are not valid. Do not send any money to the Office of Admissions or OGE. To avoid delay in processing your application, please complete in detail the full name, address, and telephone numbers of all sources of support for the first year of study at KSU.
